

Where digital meets design
BREAKING NEWS!

Pre-formatted Digital menu systems from Schult

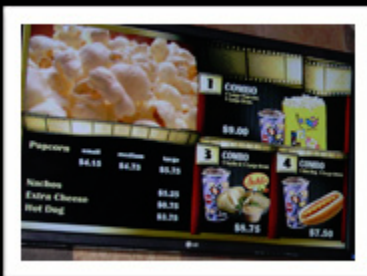

In a sea of of digital choices, Schult pre-packaged menu systems make it easy and affordable for theatres to go digital.

Schult's experience in deploying thousands of digital menu boards has led to our latest pre-formatted digital offering -

Menu System in a Box™ 4.0 (for theatres)

Menu System in a Box™ 4.0 combines our most popular digital **hardware**, **software**, **content**, **truss mounts** and **decorative features** into one pre-formatted concession system...[read more](#)
